Question 14

1 / 1 pts

You are given the chance to go back in time to any point in your past. However, if you choose to, your total lifespan would be cut in half (for example, if you were destined to live until 80 years old, you will only live

up to 40 if you accept and go back in time). Do you accept? Defend your answer in one sentence.

Your Answer:

Yes, I accept because I dont want to live a long life in an unpredictable world.
